

U11 and U9 Quad Kids Athletics

On Thursday 23rd May, the U11 Athletics team battled against all the other schools in the partnership and won the annual U11 Athletics tournament for the first time in 4 years. Some incredible running from both the girls and boys plus some record-breaking long jumps and throws secured the points for the top spot. They now go through to the U11 West Oxfordshire Finals.

The U9 Team made up of year 4's and 3's also had a fantastic event and finished runners up. Well done all.
