2<sup>nd</sup> July 2019

Dear Reception Parents,

## **Sports Day – Monday 22<sup>nd</sup> July 2019**

As you will have noticed on the timings of the Sports day this year it means that Reception children are not doing their Sports Day just before or just after the picnic lunch which everyone is invited to. We appreciate that this may not be ideal for those wishing to attend the picnic lunch as well as the Sports Day. For this I apologise but with the event being in the middle of summer and so close to the end of term we have decided it would be best for the youngest children to go first in the day. The weather will be much cooler and they will have more energy (hopefully), which will help them in having a positive experience during the events and races.

After the Sports day has finished you are welcome to share a snack and a drink (which you are welcome to bring with you) with your child while the Key Stage One events are being organised. When this is finished you will be asked to move from the area so that the next lot of parents can begin arriving.

At this point you have four options.

1. If you have a sibling in Key Stage One you can stay to watch them.
2. You are very welcome to join your child back in reception and stay playing/learning with them until the time leading up to the picnic lunch
3. You could leave the school site and come back for the picnic lunch.
4. You could leave the school site and come back and collect at 3.05pm

We are fully aware that not all parents will be able to attend the Sports Day events and please rest assured that staff make sure that all children with no parents are well supported. Again for any parents not attending the picnic, we will ensure the children are supervised them and happy.

Kind Regards

Mr Bowen
