

Dr Seuss

Our Learning Journey:

This term at school we are going to enrich the learning with:

- ✓ Finding 'Things' around the school using mapping techniques.
No cost
- ✓ A sound experiment based on Horton Hears a Who.
No cost
- ✓ Designing, making and flying a kite.
No cost

Learning Across the Curriculum

English: We will be reading 'The Cat in the Hat' by Dr Seuss. We will learn the story, rewrite it in our words and then alter the story. Near the end of the term we will write instructions and explore rhyming in poetry.

Mathematics: Our focus for the beginning of the term will be number and place value. We will be identifying and representing numbers and counting forwards and backwards. As we develop these skills further we will move into addition and subtraction near the end of the term. We will focus on one digit numbers and number bonds.

Science: We will be focusing on seasonal change. We will explore what is meant by weather and think about how the weather changes throughout the seasons. We will also look at which months are in each season.

R.E: Our focus for this term will be God.

Art and DT: We will work in the style of Dr Seuss and experiment with colour use to create our own pieces of art. We will use different materials and equipment to create our art.

P.E: We are focusing on ball skills and gym this term.

Computing: We will be applying code on Espresso to make objects move on the screen.

'SHINE' enrichment curriculum

Our 'SHINE' module is: Inquisitive minds

The class will be working with Cranbrook Grammar School students to solve maths problems.

HOME LEARNING CHALLENGES

Have a go at these tasks over the term and bring in your learning challenges to share with your teacher and classmates.

Research

Research Dr Seuss' life.
When was he born? What is he famous for?

Present

Present a fact file about Dr Seuss. Why is he important? What is he famous for?

Create

Create a hat.
Recreate the illustrations from a Dr Seuss book.

Visit

Visit the library to find Dr Seuss books. Which ones can you find?
Which ones are missing from the library?

Write

Write a review of a Dr Seuss book of your choice. Which is your favourite Dr Seuss book and why?
Write an adventure for a 'Thing' from Cat in the Hat.

In addition to these optional learning challenges above, we expect all children to:

Complete your weekly tasks on Mathletics and Spellodrome. Your login details are in this book.

Practise your weekly spellings ready for your spelling test every Friday.

Read at least four times a week. Don't forget to get your contact book signed!
