1. Introduction ¶

The Board of Trustees of CfBT Schools Trust (CST) recognises that the primary purpose of school premises is to provide accommodation for the teaching, learning and welfare of its students. The requirements of the school will therefore always take precedence over external hiring. However, when not required by the school, the Trust is willing to hire out the school premises, as they:

- represent a significant capital investment and therefore should be used as far as possible
- can provide a valuable resource to the community which the school serves
- can be a potential source of income.

In adopting this policy, the Trust supports the schools' development plan and their current priorities and targets. The Trust also recognises that the hiring out of school premises will always be an incidental part of the schools' aims.

All CST schools will operate a fair lettings policy that does not discriminate on grounds of race, colour, religion, ethnicity, sexuality, gender, age or disability.

2. Scope and publication ¶

The Board of Trustees has delegated the task of reviewing (and proposing for amendment if necessary) this policy biennially in order to assess its implementation and effectiveness to the Local Governing Body of each school.

The policy will be implemented throughout all CST schools. Distribution of the policy is to:

- all employees
- prospective hirers, on request.

This policy is available on request and can be made available in large print or other accessible formats if required.

3. Basis for charging ¶

In arriving at rates for lettings, the Trust has agreed the following principles.

- The school should not, except in exceptional circumstances, subsidise the letting of its premises to third parties.
- The overall cost of letting school facilities must be recovered from users.
- That private users will be charged at cost plus a margin.
- That VAT at the prevailing rate, if chargeable, will be payable in addition to the charges on the Card of Rates.

On the recommendation of the Business Manager, the Local Governing Body will, on an annual basis, approve a Card of Rates setting out the charges for different areas of the premises for different users and including any discounts ('Card of Rates'). In case either the

organisation or the area of the premises is not sufficiently clear from the Card of Rates, the Business Manager will determine which rate is applicable to any particular individual or organisation/area of the premises.

Additional charges and deposits

The Trust reserves the right to charge a premium over and above the rates in the Card of Rates if the school/Trust will incur additional costs before, during or after the actual letting.

CST requires the payment of a refundable deposit (over and above the charge) as security against damage to the premises (including any equipment) or against the premises being left in an unacceptable condition requiring the school to incur additional cost, e.g. for cleaning, caretaking or other expenses or against any non-payment of relevant charges under this policy.

VAT

As a general rule, if the letting makes use of a school sports facility e.g. gymnasium, hall or playing fields, then VAT will be chargeable. However, if certain conditions are met then the letting may be exempt from VAT e.g. sole use for more than 24 hours or a series of ten or more bookings are made and paid for at one time.

Lettings of meeting rooms or classrooms are generally VAT exempt.

Cancellations

CST will seek to recover any cost incurred by the school which is unavoidable and results directly from the cancellation of a letting. Details of the charges are shown in the Card of Rates.

4. Administration of premises hiring ¶

All schools are responsible for the administration of their premises hiring.

5. Record keeping ¶

All hiring of the school's premises, including those for which no charge is made, shall be properly documented and all hirers must sign a School Letting Contract, which includes a

copy of the conditions of hire. The School Letting Contract is an enforceable contract.

All schools must create and retain an up-to-date record of all lettings held at the school that will include the name and contact details of the hirer and the value of the lettings agreed.

School Letting Contract and Conditions of Hire

No member of staff of a school, except for the Headteacher or Business Manager, is permitted to vary the School Letting Contract including the Conditions of Hire under which the school's premises are hired out or to deviate from the school's Card of Rates.

6. Time of payment ¶

Payment of the charges at the time of booking is expected and must in any case be paid at least three days before the event/hiring takes place.

7. Credit facilities ¶

The Trust will allow the extension of credit to organisations and individuals where they are satisfied that these are creditworthy. However, the Trust reserves the right to withdraw credit facilities where prompt payment is not received. In all cases where credit is extended, an invoice will be issued.

8. Security ¶

The Trust will not normally insist upon continuous caretaking presence. However, it does reserve the right to insist upon caretaking presence where the nature of the hiring may leave the school vulnerable to theft or damage.

9. Template School Lettings Contract ¶

10. Conditions of Hire ¶

1. Acceptance of conditions

The hiring of accommodation in the school is permitted only on the conditions set out below. The Trust reserves the right not to let the school premises.

2. Nominated organiser

The hirer must nominate at least one person who will be on site during the period of the actual hiring to ensure that the prescribed conditions of hire are met. This person must be identified and must make her/himself known to the Headteacher/Business Manager or his/her representative at the start of the hiring.

3. Areas hired

The hirer must ensure that only the areas agreed with the school at the time of hire are used.

4. Behaviour and supervision

5. Periods of hire

The hirer must ensure that the period of actual hire does not exceed the times set out in the School Lettings Contract. Failure to keep to the designated hours may result in a proportion of a refundable deposit being forfeited, the amount to be determined by the school not acting unreasonably.

6. Numbers

The numbers of people using the school premises at any one time must not exceed the numbers indicated on the booking form and in the School Lettings Contract. Failure to comply with this condition may result in the immediate termination of the hiring by the school without refund.

8. Health and safety

The health and safety features of the school, such as evacuation routes, will be indicated by on-site staff at the time of hire. The hirer must not interfere with, or misuse, any property of the school which is provided in the interests of health, safety or welfare. Hirers have a responsibility to ensure that all activities are safe and to safeguard their participants from avoidable harm.

The hirer will be made aware of the school's fire evacuation procedures relating to the area hired. All fire exits must be kept absolutely clear during the hiring.

10. DBS checks

Hirers must ensure that DBS checks are in place in accordance with current safeguarding legislation and the school's Child Protection and Safeguarding Policy. The school will seek written assurance that the hirer has appropriate policies and procedures in place in relation to safeguarding children.

11. Anti-radicalisation

If any agreement is made to allow non-school groups or organisations to use the premises, appropriate checks will be made before agreeing the contract. Usage will be monitored and in the event of any behaviour not in-keeping with the Tackling Extremism and Radicalisation Policy, the Trust may contact the police and terminate the contract.

12. School equipment, fabric and fittings

No use may be made of school equipment, such as pianos, without the prior agreement of the school, such equipment being listed in the School Lettings Contract. The hirer must not otherwise interfere with the fabric, fittings or contents of the school premises in any way.

13. Hire of extra facilities

The provision of additional facilities such as OHPs, TV, video, interactive whiteboards etc, must be agreed at the time of booking.

15. Right of access

The Trust and its agents reserve the right of access to the premises during the hiring.

Any keys or access codes, issued to the hirer by the school, are to be used exclusively by the hirer and must not be copied or shared with any third party, and must be returned to the school immediately at the end of the period of hire.

16. Deposits

The Trust requires the payment of a refundable deposit (over and above the charge) as security against damage to the premises (including any equipment) or against the premises being left in an unacceptable condition requiring the school to incur additional cost, e.g. for cleaning, caretaking or other expenses or against any non-payment of relevant charges under this policy.

17. Payment of charges

The refundable deposit and the hire charge must be paid at least three days before the date of the hiring, otherwise the accommodation will not be regarded as being agreed.

18. Insurance

The hirer is required to have insurance in place. This insurance must provide cover for the hirer in the event of a claim for damage to property or injury made against the hirer from a third party, which arises out of the hiring of the school premises. This insurance may be available from the school or may need to be arranged independently, contact the school for more information.
