

## Year 5 Swimming Gala at Edlington

Team:

William, Thomas, Leo, Liam, Liam, Harry, Nate, Ben and Tristan

Beau, Isabelle, Abbie, Licsha, Millie, Harriet, Gabriella, Kiera and Asha

On the 4<sup>th</sup> of June, the Year 5 swimmers, who started in January, competed against the other 5 schools in our school pyramid. With a Freestyle, backstroke and backstroke race over 25m for both boys and girls. Along with this we had a 4x25m relay for both our boys and girls, and then we also had a 10m front crawl and back stroke for our foundation swimmers both boys and girls.

Our athletes were outstanding in all of the races with a number of our Warmsworth children taking top 3 finishes and some even managing to secure 1<sup>st</sup> place. One of the highlights of the event being an extremely competitive relay race both in the boys and girls respectively. With some amazing team work and determination shown by both Warmsworth and the other competing schools.

After an amazing morning of swimming the results were in, we found out that the boys finished second. In addition to this, our girls managed to secure 1<sup>st</sup> place, meaning we finished 1<sup>st</sup> overall and regained the title which we won back in 2017.

Well done to all our amazing swimmers both that participated in the Gala and who swim on a Tuesday from Mr Halstead the progression each individual has shown is amazing let's keep this up swimming is very important as I'm sure all parents will agree.
