We are nearly there...

We are nearly there... I just want to thank all of you for your continuing support of us and more importantly your children, especially in the business of this term. They are having a wonderful time, however I know that it can be difficult as change is happening. If you need anything at all then please do get in touch with us.

Don’t forget to book in for our Holiday Club... we will be closing bookings next Friday - FRIDAY 12th JULY. This is so that we can organise staffing accordingly.

Our PFA are busy getting ready for the Summer Fayre that we are amalgamating with our Summer Proms on Wednesday 17th July. We are praying for dry and sunny weather. Please support this event if you can.

Just a gentle reminder that as the weather has warmed up...at last I hear you cry...can you just make sure that children come to school with hats, sun cream and water bottles.

Look out for a couple of letters over the next two weeks. One about changes for 2019-20, one about curriculum and the other about the launch of our messy church in September. We are really looking forward to welcoming KS2 families to our KS2 Summer Production—‘What a Knight!’ The children are busy rehearsing. Due to numbers, we are putting the show on for two nights Wednesday 10th and Thursday 11th July @ 6pm. We hope that you can make it.

If you need any support or prayer then just let us know via the usual routes.

Have a wonderful weekend!

Blessings

Mrs Smith

**Reycling Schemes**
As you are aware, our school are now collecting any brand of crisp packet and Pringle tubes. Please put these in the correct bin in the foyer to the entrance of our school. Thank you to everyone that has already sent them in; we have had so many!
Miss Board would also like you to send in different writing instruments (pens, felt tips, highlighters, markers, mechanical pencils, correction instruments (tape and fluid pots), fountain pens and ink cartridges) because she can take these to the Ryman Stationary shop in Lichfield town centre.
Please keep sending in all of these non-recyclable items so they don’t get sent to landfill and instead they can be recycled through Terracycle and money will also get sent to charity!

**St Chad’s Church Garden Party**
On Saturday last weekend, some of our choir attended the St Chad’s Church garden party. It was a wonderful afternoon. We enjoyed the heat and the sunshine! There was plenty to do including games, tombola, raffle, BBQ food and refreshments, however I think that the heat did upset the ice-cream van machine and he left far too early. Two of our parents won the ‘Guess the weight of the cake’ and ‘Guess the amount of sweets in the jar’. Church raised a massive £1500.00. What an achievement and it was so good to be part of our local community. I just want to say a massive thank you to all of the families that gave up their time to come and support us and the Church. I also want to say thank you to our PFA who loaned out our gas BBQ...true community.

**Lighthouse Wish List**
For our new ‘Lighthouse Provision’ in September, Mrs Johnson would be grateful for any of the following:
- Stones, pebbles, kitchen/toilet roll tubes, 4pint empty milk bottles, yoghurt pots, old shirts, any Fairtrade packaging, role play costumes, seeds, pots, any old British currency or foreign currency, plastic toy money and postcards from any destination. Any donations of these resources would be gratefully received.

Thank you
