Letting the Light of Jesus Shine Through

Worship Reflections

Knowing the time means we can organise our lives and get to where we should be, on time! The adults in our lives help us to organise our time, but as we get older, we will learn to tell the time and organise ourselves. Sometimes though, it is good to stop watching the clock and grab a few time free hours!

Dear God,
Thank you for giving us TIME. Time to achieve many things, time to meet many wonderful people, time to create memories, time to show others that we care. Help us to learn to use our time wisely for the benefit of others.
Amen.

Birthdays this week

Happy birthday this week to:

Abigail Fitzpatrick, Isla Williams, Thomas Kirby, Isaac Hardacre & Jenson Trusch.

Bottle Bola

Tomorrow is dress down in exchange for a bottle please for the Summer Fair.

Levy

Thank you to everyone who has donated to the Levy. We are only £290 short of our target. Donations are still being collected.

Meals for Y3 in September

To the parents of all current Year 2 children, you will have received a form on Parentmail this week asking if your child would like to remain on meals for the new term in September. Please remember that as they are going into KS2 they will no longer be entitled to a free school meal. The cost per meal is £2.30 and would be obliged if you could kindly complete and return asap. You will still receive a school meal free if they are in receipt of free school meal.

School Meals

*We will be on **Week 1** of the menu next week.*

This time of year in school can get a little manic. No matter how well we plan there is always seems to be too much to do in too little time. We need to be so careful that in the busyness we don't forget to actually step back and take time to appreciate the progress our children have made this year, the wonderful learning experiences they have enjoyed and the joy of the relationship we now have with that child.

In my years in teaching I have been involved in the education of so many children but every single child is stored in my memory bank. My loft is full of boxes of cards and grateful letters from parents and pupils, I could never dream of throwing any of them. At St Mary Magdalen's we are so lucky to have that kind of love and commitment from each member of staff and that is what makes our school such a special place.

So in the end of term madness we will all remember to take time to appreciate what is wonderful about our children and our school.

I hope to see you all tomorrow at the Summer Fair. I have booked the sunshine for 3.15pm.
