## This week at Walsgrave...

### Next Year

It was lovely to see the excitement on the children's faces as their new class-teachers were announced on Wednesday. There were a few gasps of surprise, particularly with Mr. Sowerby being in Year 1 and Miss Ginger in Year 4, but the children couldn't wait to explore their new classrooms. There was a real buzz around school from both staff and children as they were completing their 'getting to know you' activities. As you may have read last Friday, I will be spending some of my working week at other Inspire schools during 2019-20. The last seven years as Headteacher at Walsgrave have flown by and I have been so happy here. I am very excited about my new role, bringing the very best back from Clifford Bridge, Hearsall and Whittle for our children as well as sharing what we do at Walsgrave, but also slightly sad that I won't be here every day with our wonderful children! I know the school will be in safe hands with Mr. Sowerby and the team when I am not here.

children - and maybe parents too - having a taster session next week!

### New Outdoor Gym

This week you may have noticed that new outdoor gym equipment has been installed near our KS2 playground. This has been a major investment and hopefully impact on our children's fitness and engagement at break times. We will hopefully get the

Have a good weekend. **Rob Darling**

## Year 2 Family Assembly

The Year Two children did a fantastic job of delivering a swashbuckling performance to their families on Thursday morning. The children said their lines loudly and clearly, danced confidently and sang beautifully. It really did showcase just how far the children have come in Reception and Key stage one. The Year Two team were extremely proud of them and there wasn't a dry eye in the room. Well done Year Two!

### Summer Concert 2019

It was lovely to hear all the children perform last night at the Summer Concert. We had such a mix of wonderful musicians, we were spoilt for choice! A huge thank you to parents/carers who support the children in learning their instrument and the music teachers at school, including Mrs. Collins, who inspires the children to want to continue working hard each and every week.

Walsgrave was also very proud to be made Music School of the month by the PAS. Well done Walsgrave!
