5th July 2019

Dear Parents/Carers

We need your help!

In addition to our drive on making successful citizens of the future, we are currently exploring ways to focus more clearly on the broader curriculum; equipping children with skills and knowledge, whilst providing experiences which will benefit the children after they have left our school. We are also thinking of innovative ways to save money and generate a more sustainable income to enhance resources for the children.

We know that the parents of Ladygrove Park Primary School, including some of their employers, have a wealth of experience and skills which could be shared with our children or used to support the school in some way.

We'd like to explore partnership- not merely a one off event. If you feel like you have something to offer - however small - please complete the form below and return to the school office.

Every bit of support given, whether it be time, in person or financial, helps us in our quest to provide all of our children with the best curriculum we can offer.

Kind regards

Andrew Markham
Headteacher
