

Parent Survey

Thank you so much to those who have been able to complete our online survey. For those that wish to do so but have not yet had the time, the link is on the school website, follow the Link tab and it is at the top. Thank you.

School Disco

Huge thank you to our fabulous PTA for organising yet another brilliant disco. It was so lovely to see our children enjoy each other's company as they danced the night away. There was the usual dance competition, limbo and array of sweets on offer. It always amazes me how many helpers we have at our discos, so thank you to you all for giving up your time.

Please note for future reference, that children are not permitted to bring phones into the disco. If they need to bring one due to walking to or from on their own, then please ask them to hand it in to an adult. This is for the safety of all our pupils.

Sports Day

Are you ready?????

We have practised our shot put, rehearsed our javelin, limbered up for our races and prepared for our tournaments and we are now ready to show our friends and families our fantastic sportsman-ship and talents. We need to remember:

- A coloured t-shirt to match the house, wear with school PE shorts and sporty footwear. Come to school wearing your kit.
- Bring a water bottle, sun cream and hat.
- Are you bringing a family picnic or having a school one? Remember that the PTA are providing some light refreshments and snacks over lunch should you wish to purchase any.
- Families can collect their children at lunchtime from their class mat, located under the trees on the far side of the field. Please let the teacher know when you collect your child.
- Children to return to the mat no later than 1pm for registration after lunch.
- Have a great day!!

Year 2 Cooking

This week Class 2 made 'Summer Bruschetta'. They were talking about good carbohydrates and the benefits of green vegetables in our diet by including avocado, broad beans and peas. The food was delicious, the children are learning so much and parental feedback tells us that as result of these sessions, children are being more adventurous with their food choices and are more able to choose healthy options and attempt cooking at home. We are hoping to continue with this fantastic opportunity in the next academic year. Thank you to Mrs Randeira.

Big thank you to all who have contributed posters for the stall and the Capel Fete. Look out for your designs telling others about the campaign and sharing your views. Look out for the Sports Day races too, come and join in and try your hand at egg and spoon races, three-legged races and an obstacle course.

We have had some brilliant entries already and we are hoping to put some up on our website too. Keep the entries coming in, you have until Wednesday.

REMEMBER OUR COMPETITION

Road Safety

During our assemblies, the children have been focusing on the ways in which they can behave in a safe way when crossing roads or walking along paths. Please ask them to tell you about the things they have learned and ask them to show you. I would love to hear about any of our children being roads safety role models outside of school.

*******COMPETITION*******

AIM: To raise awareness of road safety with hints and tips for keeping safe.

HOW: Be creative, come up with something that catches people's imagination. It can be a poster, sculpture, song etc.

PRIZE: The top 10 winners chosen by the panel will win a [pizza making experience at The Poacher and Partridge](#)

WHEN : Entries in by July 10th
