What a Sports Week:

What an amazing Sports Week! We have had Skateboard/Scootfit/cycle workshops, sports afternoon, swimming galas, house football competitions as well as the usual Friday run, dodgeball, cricket club, yoga sessions and swimming lessons. We really value the importance of exercise and healthy living here at St Martin's Garden and it is important for mental health and well-being of pupils and staff alike. A **huge thank-you** to all the staff for their commitment and dedication and especially to Mrs Franklin, our enthusiastic PE lead, for organising the week of events. Thank-you also to all of our parents for supporting our picnic and sports afternoon.

Message from British Cycling ~ We at British Cycling recently came to speak to your child at St Martin's Garden Primary School about ways to get into cycling and opportunities to take part in some free family activities.

Move up

We had a successful Move Up yesterday, welcoming our new Reception pupils and our new Teachers. Year 6 had a lovely day at their secondary schools.

Staff News

Mrs R Taylor, Cook in charge, Mrs M Quinnell, Teaching Assistant and Miss J Bullock, Teaching Assistant will be leaving us to take up new positions. We wish them all the best with their new ventures. If parents would like to make a contribution to our staff who are moving on please pass to the school office. Thank you.

Reminders:

- **Parents should walk around the outside of the school buildings to drop off/collect** the children to/from the playgrounds. The school building must not be used as a cut through for parents, even if you are running late.
- **Parents are responsible for the supervision of your children before school.** Please can you ensure your child is walking their bike or scooter across the playgrounds so that everyone is kept safe. It is also extremely important that you do not let your children climb the trees before school.
- Can we also respectfully request that **parents stick to the 20mph speed limit** on the Lympsham Green side of the school. Whilst we appreciate we have no formal jurisdiction over this, we do have the safety of our pupils, parents and neighbours in mind.
