This week's Attendance
Our target for attendance is 96%.

Attendance Award in Reception

goes to Classes 9&10

Attendance Award in Year 1 goes to Class 7

Attendance Award in Year 2 goes to Class 2

GROW HAPPY

Health Week

This week the children have been taking part in lots of different sports and learning about how to keep their body and mind healthy.

They have taken part in dance, football, multisports and athletics.

Class teachers have led lessons about a healthy diet and making good choices in what we eat and drink.

'Little Sports' who provide our coaches have led an exciting assembly all about staying healthy and fit.

The children have followed, 'A Journey in Love', which is all about how special they are to their families and friends and how to care for each other.

Thank you to Mr McManus, our sports coaches and all our teachers and staff for organising, leading and planning an exciting week for all our children.

DATES FOR YOUR DIARY

NURSERY PLACES

Nursery places are still available in our nursery for September 2019.

If you would like to find out more about our nursery, enquire at the school office who will be happy to help you.

Our nursery is led by experienced teachers and nursery nurses and provides an excellent start to your child's education.

FOSMMIS RECEPTION DISCO

The reception children had a fabulous time at their year group Disco on Wednesday afternoon. They all enjoyed dancing, games and their delicious treat bag.

Thank you to all the children for behaving so well. Thank you to the parents and staff who gave up their time which ensured that this event could take place.

Sun Safety

We are enjoying some lovely weather.

It is very important that children bring a sunhat to school and sun lotion is applied before they come so that they have fun and stay safe in the sun.

'While we try to teach our children all about life, our children teach us what life is all about.'

Angela Schwidt
