Issue 34— 5th July 2019

Dear Parents,

The KS2 site has been alive with the sounds of 16th century literature. Macbeth, Duncan, Bottom and the three witches keep appearing in the playground! Shakespeare Rocks is nearly ready, the props are done and the last rehearsals are happening today. I have to say I can't wait to see the performance tonight. The KS2 staff have worked tirelessly to prepare the children for this production. I am sure you will agree with me that we all appreciate the dedication, inspiration and care they give, so that the children have this amazing opportunity.

This weekend the PTA along with the Nomansland Community Events group are staging this year's Go Ride event. I am donning my lycra and will take part in the 25 mile cycle and I hope I will see many of you en-route. Again the committed work of the PTA can't be underestimated. As the building project at KS1 is now coming to completion I would like to thank them and the parents who support our school - we now have lights and water!

This week I have taken part in Safeguarding Training. These training events give me time to reflect on the many layers of safeguarding that we need to consider - from providing shade and hats in the summer to the more 'serious' side of looking after children. As a school safeguarding is our priority and as such please do speak to me directly if you have any concerns. As always I up-date staff of any changes and any new legal requirements that need to be implemented.

See you at the recreation ground tomorrow if you can make it, if not have a great weekend with your family.

**Caroline Whittaker**

**Head Teacher**
