"Where Childhood Matters"

Dormice and Fieldmice Newsletter, Week Ending: 5/7/19

Dear Parents/ Guardians,

Another busy week as we come to the last couple of weeks in Foundation Stage. I'm sure that you will agree that the children were amazing on Sports Day, they waited patiently for their turn and followed the instructions during the races. We hope that you enjoyed the afternoon. The weather this week has been very good and this helped to make the trip to Dalby on Thursday a fabulous day. Once again the children were excellent and showed good behaviour. They are now very tired!

We would like to take this opportunity to say a big thank you for being such supportive parents. The children have blossomed over the year and are now ready for Year 1. Please do continue to read with your child and to hear them read over the holidays. They will meet their new teachers on Thursday the 11th July, which is the same day that you will find out who their teacher is.

Things to Note:

- **Building work will be starting on the roof next week. Scaffolding will be going up. Please be aware of letters coming home regarding this.**
- We will be collecting reading books in next week in preparation for sending these to their new Teachers.
- Tuesday 9th July - the school nurse will be in school for height and weight checks.
- **Friday 12th July - The Wedding.** You should have received an invitation to the Church from your child. You are welcome to join us at the Church. As stated this is also a celebration of achieving Investors in Pupil Targets and a bit of an end of the Year Party. We look forward to seeing you at the wedding. The children are very excited and looking forward to the day. It will be a lovely end to the year and celebration of the children's hard work.
- **Wednesday 17th July - Driffeld Show Day.**
- As we had such a successful trip to the pantomime at Christmas we have booked to go again for all of Spring Phase. Next Christmas it will be Cinderella.

Once again thank you from all the staff and we look forward to watching the children develop and grow as they move through the school.

Mrs Sizer, Miss Searby, Mrs Pierrepont and Mrs Stinson.
