On Sunday we are hosting our first volunteer event to do some general jobs around school. Everyone is invited to help us out. We are meeting at 9.30am on the playground. Refreshments will be provided. The list of jobs we need help with are:-

- General gardening—lots of this!
- Repairing & painting the planters around the school grounds (please bring saws, drills, screwdrivers to help with this).
- Trimming the hedge outside the pond area (please bring hedge trimmers if you have them).
- Painting the sheds—paint & brushes will be provided.
- Clearing the back of the outdoor classrooms.
- Sweeping the car park (please bring outdoor brooms).

We look forward to seeing you for what we hope will become a regular event.

### Slate Shovelling

If any of you are available one evening next week after school we are taking a large delivery of slate to improve the area outside the main entrance. We just need many hands to shovel the slate where it needs to be. We will confirm by text when the slate has arrived.

## Newburgh Nursery & All Round Care News

### Nursery

It's our Nursery performance on the Orchard next Friday at 2.30pm. We hope to see as many of you there as possible.

Could every child please bring in a bottle/cardboard box/container to make a musical instrument with.

Could children please have sunscreen applied before arriving in Nursery.

If you are unsure of your Nursery hours from September please speak to a member of Nursery staff or Chrissy.

### Holiday Club

Due to low numbers we have sadly had to cancel Skillwise Sports and have organised alternative sport activities with no additional charge. Bookings can still be made via Parent Pay until Friday 12th July.

## PTA

Dear Parents,

As the school year draws to a close I need to pass on a huge thanks to our PTA. Not only have our members organized enjoyable events for our school community including Ladies Night, Mothers Day Cream Tea and the Children's Disco they have also given school over £7000 in donations this year alone. The money raised by the PTA this year has paid for the wonderful art installations that will form part of our art exhibition this month. The projector in the hall is due to be replaced next week, the willow dome and trim trail will be repaired as soon as possible and PTA have also provided 16 tablets for children to use in school. As you can see these items alone cost a huge amount of money and without the work of the PTA our children would simply not be able to benefit from them.

As you are all hopefully aware our attention next year will be turning to the large playground project for which we will be hoping to raise significant sums of money. We will be planning more community events and activities over the next year with a view to raising money for this.

A wonderful "hassle free" way to support the PTA is our 100 Club. Currently we have 40 families participating, buying a total of 192 numbers each month. This generates the PTA £167 profit per month which is all spent on school causes. If you are able to contribute a couple of pounds each month it's a fantastic way to support this organization and you may be in with a chance of winning £25. The winner for June is number 126—a cheque is on it's way to you—Congratulations!

Thank you, as always for your support.

## Church News

### JAM (Jesus And Me) Club—Christ Church Newburgh Sunday School.

*All are welcome to come along, say hello and find out what we do!*

JAM Club is for children aged 3 years plus, meeting during term time. The children can join in crafts, games and chat with friends while exploring the bible. We meet in church @10.30am. Children are then escorted to the vestry following the 1st hymn.

On **Family Service mornings**, the service takes place in the school hall with an area for play set aside for the children. The family service content is then very much focused on being all-age inclusive.

The next JAM Club date:
