

The Hateley Heath Primary School Prefect Programme.

Information and application form.

What is the Prefect Programme?

The Prefect Programme is an opportunity for a small number of Year 6 children to become school prefects at Hateley Heath. The programme will choose eight prestigious prefects for the school, these children will become ambassadors for our school, be role models to other students and help and support children across the whole of Hateley Heath Primary School. Their roles will range from supporting members of staff to arrange different events throughout their final term at Hateley Heath. They will support other children in school by working as mentors, giving advice and support for pupils who need someone to talk to.

Through these and a range of other tasks, they will help make Hateley Heath a happier and friendlier place to be. The programme is a great opportunity to build up dojo points and to demonstrate to others the kind of people that Hateley Heath are really proud to have. They also get to wear a beautiful badge to make their role seen by others and this should be something to be incredibly proud of.

What kind of people are we looking for?

As explained in the paragraph above, only eight pupils in Year 6 will be selected to take on the role of prefect. We will be looking for children who show all of our school values on a regular basis:

-  Hardworking
-  Caring
-  Respect
-  Teamwork
-  Good Manners
-  Enjoyment

We will be looking for people who have good friendships with others in school and those who have a mature attitude. Pupils with great attendance, regularly wear full school uniform and have a great attitude towards learning will make excellent additions to the prefect team.
