Tuesday 28thth November 2018

Hi you should have received the message below through your dojo account.....

As part of our eco team work the children are keen to make others aware of the destruction of the rainforest due to palm oil production. In order to do this they wanted to hold up posters and hand out leaflets as parents and children arrive in the morning (of the 6th of December).

Please could you help them to prepare a poster or some leaflets to help raise awareness. You can use the following links for inspiration.

<https://www.youtube.com/watch?v=JdpspllWI2o>

And because it is important to recognise that not all palm oil is bad they may want to let people know about sustainable palm oil.

<https://greenpalm.org/about-palm-oil/sustainable-palm-oil>

But do not worry if they do not include sustainable palm oil as part of their poster/leaflet I can produce something to help give a balanced view.

We are planning to go out before school on the morning of 6th December - so if you could please bring them to school for 8.40 on this day and meet us at the corner pedestrian gate entrance to school, Then that would be fantastic! (If they are at Bouncing Beans and you want me to pick them up and bring them to the entrance then just let me know).

I am planning to gather the posters/leaflets in on Wednesday 5th December - so I can photocopy if necessary and just check what they are planning to show! I will bring the posters to the gate entrance on the Thursday morning.

Please let me know if you are happy to help with this!

Thank you to those who have already responded! For others I am sending this out as a hard copy in case you can not access your dojo messages and because I realise people have busy lives and hence may well benefit from a reminder.

The children were all keen to take part in this project so thank you for helping if you can.

If you need to email me with any queries my email address is rhardman@aldermanpounder.sch.uk (I will try to check dojo messages too but I have to open up each class to do this. So for me it is easier if you can email.

Many thanks!

Ms Hardman (Eco School's coordinator)
