Starks Field—judged GOOD in all areas in latest Ofsted

Dear Parents and Carers,

Next week we have Sports Day on Monday (July 8th) at 1pm and the Curriculum Evening on Wednesday (July 10th) from 3.30pm to 6.15pm. All parents and families are very welcome to attend. End-of-year reports also go out on Wednesday, when you will find out who your child's new teacher is. Excitingly next year we are changing our class names, following a vote in School Council, and all classes will be named after British trees.

The past two weeks have seen Year 6 enjoy Transition and TfL Safety and Citizenship workshops, Year 2 visit the Science Museum, Year 1 bask in the sunshine at Chalkwell Beach and Year 3 participate in a Tate Gallery photographic project and a Lea Valley workshop.

Some of our children were able to benefit from the skills of an Arsenal coach, all of our children took part in the Daily Mile, Year 2 visited the local library, Year 5 went to the Olympic Park and our Year 6 children have been out and about visiting their new schools.

Thank you for your support with the Book Fayre and with the summer fair, run as always by our fabulous Year 6s. They raised enough money to support their end-of-year trip to Legoland and some of the resources they need for their production.

Our visitors have included local MP Kate Osamor and the Bulgarian Ambassador, a former Prime Minister for the country, who joined us for our EU Settlement meeting.

And finally, a plea—if you have any PE clothes or school uniform that you no longer require (particularly Year 6), please donate it to the school.

Ms Davies Oliveck, Head Teacher

Update Your Email Address

URGENT WE NEED YOUR CONTACT DETAILS

We are continually looking at ways to improve home school communications. At the moment we email fortnightly newsletters and upload these to our website www.starksfield.enfield.sch.uk. We text, email and tweet and use letters, noticeboards and our chalkboard to inform parents of news, trips and upcoming events.

We need your email address as well as your current mobile number, to keep you informed.

Without this information, you may miss out on important news. If your details have changed since completing the annual Family Contact Form, please let us know. If you do not have an email account, you can set up an account from a laptop, PC, tablet, smartphone or iPad; if you need technical assistance, please ask at the school office - our ICT technician can help.

We will not share your contact information - this will be for home/school communication and to keep you informed.

Please visit our website

UNWANTED FOREIGN COINS

Please DONATE your unwanted foreign coins and notes to the school office.

As part of our fund raising effort we are collecting foreign coins and notes and with the help of Cash4Coins, exchanging these into money we can use to purchase resources for schools.

What's happening at Starks Field...

Year 2 visited the Science Museum to observe, question and investigate a range of scientific exhibits and experiments. They were exceptionally well behaved during the journey on a very hot Piccadilly Line!

Did you know we now have 212 twitter followers - follow us @StarksField and keep up to date with news and photos daily.

The Bulgarian Ambassador, pictured here with our Head Teacher and Deputy Head Teacher, visited Starks Field this week for the meeting on EU citizens' settlement rights.

Year 3 enjoyed a Plant Discovery Day at Myddelton House as part of their Science work on plants.

The Felix Project

The charity was established in the memory of a young boy, Felix, who died suddenly from meningitis in 2014. Felix was full of compassion for those without his advantages and his father searched for a way to commemorate him. What stuck in his mind was a boys' football tournament, where Felix told him he had been upset to learn that many of the 10-year-old boys on the opposing team had not had anything to eat that day. The Felix Project collects good quality food from suppliers. They check it is fresh and then deliver it to charities so they can give vulnerable people a healthy meal or snack. Each and every contribution from suppliers, supporters and volunteers helps save surplus food for people who would otherwise go hungry. For more information visit <http://thefelixproject.org>.

We are fortunate to be the recipients of a delivery of food items each week, which will be available to parents/children after school.

HEALTH AND SAFETY

Unfortunately some parents wedge open the main school gates on Church Street when they visit during the school day. **This is a serious health and safety risk** as the school cannot control who enters the grounds.

PLEASE help us to keep our school community safe by ensuring the gates are **NOT** wedged open and are closed when you leave the school grounds.

Children are not allowed to play on the adventure trail before or after school, as it is not supervised at that time by school staff. Please ensure that your child is aware of this and stays safe.

SCHOOL TRIPS

Reminder:

Please remember to return the consent slip to the school office by the required deadline. If you are contributing towards the cost of the trip, please ensure the correct amount is enclosed as change cannot be returned. Any change will be attributed to a meal or club account where possible or treated as a donation to the school.

Thank you.

Fundraising at Starks Field

Our fundraising will focus on raising money primarily for school ICT equipment.

- **We are currently collecting any leftover foreign money from your travels, which we can exchange for cash; visit <http://www.cash4coins.co.uk> for more information.**
- We will continue with our popular cake sales and frozen Fridays!
- Did you know that whenever you buy anything online - from your weekly shop to your annual holiday - you could be collecting free donations for Starks Field? There are over 3,000 shops and sites on board ready to make a donation, including Amazon, John Lewis, Aviva, thetrainline and Sainsbury's – it doesn't cost you a penny extra! Visit <https://www.easyfundraising.org.uk/causes/starksfield/> and join for free. Every time you shop online, go to easyfundraising first to find the site you want and start shopping. After you've checked out, that retailer will make a donation to your good cause for no extra cost whatsoever! There are no catches or hidden charges and Friends of Starks Field - London will be really grateful for your donations.

Thank you for your continuing support.
