Believe in ourselves, be the best we can be

10.7.19– Newsletter

School Uniform and Shoes

I am very aware at this end of the term people are not wanting to purchase new school shoes before the long summer break. I am in the same situation with my two boys! I would therefore just like to remind you before September that our school uniform states that the children wear plain dark shoes or trainers. Thank you for your co-operation with this.

Library Reading Challenge

In our assembly today, Fiona from Teignmouth library came in and talked to us about this year's summer library challenge. On the 20th July it is the 50th anniversary of the first Moon landing and this therefore forms the theme this year. There will be various events to start the challenge this Saturday in your local library but you can join in at any time over the next 6 weeks. We are thinking that this idea of 'reading for pleasure' will be part of our school development plan next year. It would be great if we could therefore start the year by celebrating a summer of reading by presenting lots of certificates in one of our first assemblies in September.

FOBS Summer Fayre

We had some fantastic weather for our Summer Fayre this year. So much going on, some great prizes and things on offer and cakes as far as the eye could see! The team have told us that they have raised an amazing £2000. Thank you to all of those who attended and were part of this fund raising event. However, the biggest thanks has to go to our FOBS team and all of the helpers for their preparation before the day and their tireless efforts last Friday to make this a huge success again.

Busy Term!

This term has been incredibly busy and I find it hard to mention all of the many things the children have been doing in my newsletters! Hopefully you have seen the updates on the school app? The Village Festival was so special and culminated in a fantastic celebration of our community on the final Friday. We finally managed to have our Sports Day in the sunshine and the Curriculum Celebration for the 'Lost Words' topic was another resounding success! We hope you have enjoyed celebrating with your children and sharing all of the amazing things they have been doing!

Pupil Voice

Our assembly today was all about people or things that INSPIRE us. I was INSPIRED to do this assembly after talking with Matilda in Y6. She decided that she would like to pursue a career in the Navy after our very special helicopter visit in the Autumn of 2017. I was interested to explore the idea of who had INSPIRED the children so far and if that had made them think about what they would like to be when they grow up. The Explorers were desperate to tell me straight after the assembly and here are some of their responses-

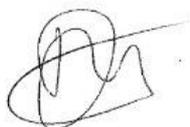

***'I want to be a policeman because my Mum is in the police.'* Stanley- Explorers**

***'I want to be a zoo keeper and look after a rhinoceros.'* Nancy- Explorers**

***'I want to be an apple picker because I just want to!'* Joshua- Explorers**

Thank you for your continued support.

Kind regards,

Dave Killoran
(Headteacher)

FUTURE DATES

9th and 10th July	Parent Evenings
Friday 12th July	Leavers Assembly and Leavers BBQ
WC 15th July	Transition Week- time in new classes
Friday 19th July	Last Day of Summer Term
Tuesday 3rd September	First Day of Autumn Term
