Dear Parents/carers

It has been brought to our attention that photos of children and staff from our school on sports day have been posted on social media.

Please can we remind you that while we allow parents and carers to take photographs/videos of events these must be for personal use only. This is in order to safeguard all of our children and families. Failure to adhere to our policy will mean that we will not be able to allow photos/videos to be taken at future events. If you or any of your family members have posted any photos/videos then please remove them from Facebook or any other social media sites immediately.

At the beginning of June parents/carers were sent a letter about online safety along with an Acceptable Use Agreement. If you have not already done so please sign and return the Agreement as soon as possible. The agreement has been attached again for this purpose.

Yours sincerely

Mrs S Gill
Acting Headteacher
