11th July 2019

Dear Year 6 parent/carer,

To celebrate the final week of your child's Primary School life, we have arranged a year six treat. During the afternoon of Tuesday 16th July, they will be joining the Condover School pupils and visiting the woods at JCA where we will play in and around the stream.

Please ensure that your child has:

- a complete change of old clothes, as they are highly likely to come home very wet and muddy
- an old towel
- a plastic bag to put all their wet belongings in when we come back
- an old waterproof coat
- sun cream
- a drink

The pupils will be taken across to Condover on the mini-bus and will be brought back to school for 3.15pm.

The school will provide a special picnic lunch (sandwiches, sausage rolls, pizza, nachos etc) that I will transport to the woods at the usual cost of a school meal, payable through EduSpot. This has proved hugely popular in past years and I would encourage all the children to join in with this on Tuesday. Please let Miss Whiteman in the office know if you would like to opt out of lunch.

In addition to this, the children have made an 'End Of Year Book'. This book includes a page the children have created and a photo of each of them.

In order for your child to be included in this, I need you to fill in the permission slip below. Please note that without this slip, your child's page will not appear in the book.

Yours sincerely,

M Halstead

✂-----

I give permission for the school to include _____(your child's name) in the Year 6 Leavers book.

I agree that no part of the book will be photographed, reproduced or placed on any social media platform or shared with others in any way.
