Activities Week (Mon 15th July – Wed 17th July)

Dear Parents and Carers,

As the summer term draws to a close I would like to thank all parents and carers for supporting the school during this past year. We are making continued improvements with our educational provision and next week's activities are an integral part of what the school offers.

Activity week is part of the school curriculum and offers students the opportunity to get out of the classroom and enjoy new experiences from a wide range of activities. It gives them confidence to achieve in different settings and provides the chance to gain new skills, be active, to participate, take on responsibility and demonstrate maturity.

Activity Week is a time when both students and staff can share experiences that are not usually available during the rest of the academic year. Even a cursory glance at what is on offer will give you an idea of the great range of experiences available.

You can see the timetable of the full range of activities available on our school website:

<https://www.secondary.stgregory.oxon.sch.uk/students/clubs-and-activities>

Please note that students are permitted to wear non - uniform from Monday – Wednesday. On Thursday 18th July we have our Sports Day so students will need to wear their PE kit. On Friday we will have a whole school celebration in the morning and all students will be expected to wear full school uniform. I would like to thank all parents for supporting their sons and daughters with their education by encouraging them to be full participants in the life of the school.

Best wishes

Mr S Tucker

Headteacher
