### Letter for parents and carers of children currently in Year 2, moving into Year 3 in September 2019.

Thursday 11th July 2019

Dear parents and carers of children currently in Year 2,

After much careful thought and planning, we have made the decision to bring together all the children and create one Year 3 class. In Key Stage 2, we are not limited to class sizes of 30 (as we are in Key Stage 1) and we believe that having the 34 children together will be the best arrangement for all of them.

Their teacher will be Mrs Roberts and she is very much looking forward to working with them. The children will also be familiar with the teaching assistants Mrs Bunce and Miss Knott (afternoons only), who will be working with the class initially.

The children have had many opportunities to work together as a year group this year and we are confident they will thrive as a cohort. We have planned carefully to ensure the transition into Year 3 (and Key Stage 2) will be a successful one.

Should you wish to discuss this further, please make an appointment to meet with Mrs Roberts, Mrs Butler or myself before the end of term.

Yours sincerely,

Mrs S. Gill

Acting Headteacher
