Parents, I take my hat off to you all; you have all been so busy this term and done such an amazing job with so many different projects. You have given up your weekends and evenings to really support the school. Such terrific fun has been had by all involved, but wow, the hard work and commitment is impressive.

The camping looked a great success. If the tired children on the Monday morning is anything to go by it was a full on weekend full of wonderful experiences. Straight after that was over, the carnival team were back onto the preparation. The Gold we received at the carnival was well deserved. It was a joy to watch the children freely soaking up the atmosphere with such confidence. Then last week was the charity bike ride. The organisation was outstanding, such a well oiled team effort.

Was that all? Of course not. We have had parents in gardening and showing off the grounds to Farnham in Bloom judges. Parents have volunteered on trips and outings, listened to readers and played the piano at the drop of a hat. This alongside work, family commitments and the end of term chaotic joy. Well done.

Subject: Positions in the PTA

We've had a great year of fund raising events, organised and run by the PTA and supported by the school staff.

We really encourage parents to take part, not just for the satisfaction of raising funds to help buy additional equipment for the school and help with projects like the library and the hall, but also the wonderful community it builds for us and the children.

Next year, due to parents leaving the school and parents who are staying with other commitments, there are 3 PTA positions to be filled: Chair, Vice Chair and Secretary. I'm pleased to say Kevin Eaton from Robins is the new treasurer.

It doesn't even matter if to date you haven't had much to do with the PTA, any skills you have to offer will be of great use. Perhaps it would be a personal challenge to step up for one of these roles, or simply because you love the school or have a passion for fund raising - one of these positions might just be for you. Please have a think about it and put yourself forward. If you have any questions, come and have a chat with me, Sam or Alix.

Subject: Summer Reading Challenge 2019

Space Chase, Summer Reading Challenge 2019 begins on Saturday 13th July!

During the summer holidays the school doors are locked. So, where are the children going to find lots of lovely books to read for FREE? At their local library! And to encourage their reading, the Reading Agency has once again organised The Summer Reading Challenge. The theme this year is, Space Chase, inspired by the 50th Anniversary
of the moon landing. So get set for a thrilling mission with the ‘The Rockets’ family to track down books nabbed by mischievous aliens!

Being designed for all reading abilities, children can choose whatever books, audiobooks, comics, ebooks or eAudiobooks they like to complete the challenge. Every participant receives stickers and other incentives along the way and those who read six books are presented with a personalised certificate.

It is great fun, so why not go to your local library and help your child to enjoy his/her reading throughout the summer holidays. You could be pleasantly surprised at the difference it makes!
