Curriculum snapshots – Please talk to your child about their learning this week!

<p><u>Nursery</u> I wrote a postcard to Mummy. I said I was playing in the sea. Maks</p>	<p><u>Reception</u> I love doing balancing like the house, bunk beds and the rock star in gymnastics. Zachary</p>
<p><u>Year 1</u> We have been learning the ten times tables. It goes like this: $1 \times 10 = 10$, $2 \times 10 = 20$, $3 \times 10 = 30$ Anabelle</p>	<p><u>Year 2</u> In our music lesson, we have been learning about pitch, timbre, tempo, rhythm and beat. These are ways we describe different sounds. Fraser</p>
<p><u>Year 3</u> We have learned how volcanoes erupt and about other natural disasters such as tsunamis and earthquakes. Oscar</p>	<p><u>Year 4</u> This week after our trip to the Dewa Museum we have been designing, making and painting Roman shields. Lily We learned that the Romans used to eat horse flesh and mice stuffed with herbs and spices. If you were a rich Roman you would eat fish and purple carrots. Aoife</p>
<p><u>Year 5</u> We have been learning about how to do tessellation. We did a lizard tessellation which meant we had to cut out a lizard and then make it fit into various shapes, like a jigsaw. Aine</p>	<p><u>Year 6</u> Our class has spent a lot of time practicing for our Production (The Wizard of Oz) and have performed it (along with the other classes) for lots of people. We have also done some projects about anything of our choosing. They went up a few days ago and so far they look stunning on our wall! Jack</p>

Headteacher for the day

On Friday 19th July, Mr Platt will be having a 'day off'. Miss Esmé Fagan will be Headteacher that day. Thank you to Esmé's parents for enabling this to happen. Esmé has asked for us to have an Own Clothes Day that day. More details about the day will be released early next week.

Class structures for next academic year

You will all now have the information of who will be your child's next teacher. One amendment is that the new 3L taught by Mrs Leathley will also have Mrs Dolan. Mrs Leathley will teach Monday to Thursday and Mrs Dolan will teach on a Friday.

Transition

Visits to new classes will happen for all classes next week.

Road safety and awareness

We have had a concerning call this morning from a cyclist that was almost knocked off his bike by a parent/carer dropping off their child this morning at the front of the school. Please note that this is illegal. The zone at the front of school is for buses only. Please do not use this zone as a drop off point. Many thanks.

Ukulele Concert

Wow!! What a sight and wonderful sound it was to see all our Year 4 children play and sing together in a concert. Thanks to all those who came to see them. The children have now come to the end of their 10 weeks of lessons, learning how to play chords on the ukulele. Their teacher, Mr Haslam was so proud of them and let us know that they have done better than any of the other schools that he teaches in. A huge well done to all of you.

Trafford Music Service Concert

On Friday 19th July at 9.15am, junior children, who have a lesson in school, from staff from Trafford Music Service, will perform an end of year concert. Year 2 recorders will join them for a short song and so will need to bring their instrument in on that day. Parents of those performing are invited to join us and our Years 2, 3 and 4 children will be the audience. Good luck to everyone involved.

4L Mass

Well done to Class 4L who led Mass at Church on Thursday. It is wonderful to see you all participating in the celebration of the Mass so well and so respectfully.

Vex IQ Competition

Good luck to our children who will be representing St Hugh's on Tuesday at Manchester University. Mrs Powell and Mrs White will accompany the children who will be competing against others, making robots.

Altrincham in Bloom

Miss Sheridan and Mrs Halsey and the Eco Council, with the help of 1SH have been busy over the last few months, growing their own vegetables to enter the Altrincham in Bloom Design a Meal in a Wheelbarrow Competition. Their theme is Mexico and their entry is displayed in the foyer. STOP PRESS!!!!!! We have been awarded 2nd place. Well done.

First Holy Communion Mass of Thanksgiving

This Sunday, our Year 3 children are celebrating receiving their First Holy Communion through a Mass of Thanksgiving at 3.00pm. Unfortunately I will be unable to attend as this year I am travelling with the Diocesan pilgrimage to Lourdes and need to attend a meeting on Sunday in readiness for the trip. Mrs McDonough, Mrs Capey and other staff will be attending the Mass. Parents/carers of Year 3 should have received a letter outlining the practicalities of the afternoon.

School Ball sponsored by Slater Heelis Solicitors

The school ball was an amazing event, with delicious food, fabulous music and wonderful company. A huge thanks and well done goes to Jacqui McDonald for organising the event and to Maeve Kirby and the team for the assistance you gave throughout the run up to the event, during the day on Saturday and of course, throughout the evening. Jacqui has announced that the ball has raised over £5000 for school and this will cover the whole cost of a new Maths scheme that has been purchased. The whole staff were trained on Wednesday at a twilight session after school, so that we are ready to implement it in September. Every single child from Nursery to Year 6 will benefit from this resource. So... a huge thanks from us too! We greatly appreciate your continued support and generosity to our school.

Summer Fair

The Summer Fair is almost here! Our school choir are opening the event at 2.00pm and there will be tons of things to do up until 5.00pm. Many, many thanks to Karen Gough and her amazing team who have worked so hard to get everything ready. Many thanks to our class reps who have organised class stalls and all those who are doing a shift tomorrow to cover these stalls. Thank you to all those who came into school this morning to support this team, especially following the flood which caused damage to PTA stock yesterday, during the deluge of rain at 5.00pm. Please come along tomorrow and help to make this event a huge success. We always need your support and participation and are very grateful for it. Come along and join in the fun!!

Oz

Wishing our Years 5 and 6 classes all the very best of luck for their show next week. If you are attending, Wow! You are in for a treat! Tickets are still available for Mon, Tues and Weds on ParentPay and are now open to the whole school until sold out.
