July 12, 2019

Dear Parents/Carers,

### RE: Pupil Reports 2019

As you may be aware, the current National Curriculum was introduced for all Key Stage 1 and Key Stage 2 Year Groups i.e. Years 1 to 6 from 2014.

The National Curriculum has been designed to ensure that children are given the opportunity to deepen their understanding and requires us to less content but in greater depth.

Our pupil reports contain an initial section where the class teacher will make comments in respect to your child's attitude to learning. Following this, the report will have a section for each National Curriculum subject where the class teacher will indicate whether your child:

- Is working towards the Age Related Expectations (ARE) for their Year Group
- Has reached the Age Related Expectations (ARE) for their Year Group
- Has exceeded the Age Related Expectations, and is therefore working at a Greater Depth of Understanding (GD)

Please note that some children, such as those with Special Educational Needs, may be working towards standards that are below their age related expectations. Teachers will indicate where this is the case.

If you wish to see a complete set of standards for each year group, this can be found on the school website under the 'Parents' tab and then 'Pupil Reports.'

If you have any further questions or wish to speak to your child's class teacher about the report please contact the school office to make an appointment.

Thank you for your continued support,

Yours sincerely,

Mrs Kam.Gill (Head of School)

Mr Gary Murrell (Executive Headteacher)
