

## Extreme Reading Challenge

### Home Learning Activity for all Year Groups

At Copley Junior School, a love of reading is at the very heart of the school and children are encouraged to read **every** day.

Over the Summer holiday, all children and staff are challenged to have photographs taken of them reading in the most interesting/extreme places. We are then going to make a display in the school library with the photos.

Be creative as to where your photo is taken - on the beach, sitting in a wheelbarrow, sitting on a slide/trampoline/swing etc. If you want to, you may digitally alter your photo so you appear to be reading on the Moon, on the back of a shark etc. Make sure you check your idea with an adult at home before you start.

In September, we would like you to bring in your photograph, with your name on the back and the title and author of the book you were reading in the photo.

Please could this home learning be handed in by **Friday 6<sup>th</sup> September**.

Many thanks for your support in this matter. Enjoy your reading!
