

# REDLANDS PRIMARY SCHOOL

Dear Parents

I would like to say a big thank you all for the lovely donations which have been coming in for the Summer Fair. Our FoR are delighted with them and have been busy organising the stalls for the fair tomorrow, so you and your families can have a fabulous time. The Summer Fair not only brings the community together but also enables the children to experience delightful activities whilst we raise money. All the funds raised at the event will go towards putting together enrichment activities for the children such as theatre visits, outdoor learning and much more. I am certainly looking forward to seeing you all there and also enjoying the lovely delights on offer. If you are new and have not tried Miss Champion's delicious food I would definitely recommend popping along and enjoy the treats which she will be making; I have already ordered my wrap!

Mrs Shabana Aslam, Headteacher

## Reports and Parents Evening

Parents of children in Year 1 to Year 5 will receive their child's Summative report on Monday (15th July). There is an option to meet the class teacher after school on Wednesday 17th July. This is optional and only if you have any further questions after reading the report.

## KS1 Sports Day

Firstly a big thank you to Mrs Boothright and the team for organising such a fabulous sports day. The children participated in a range of sporting events such as egg and spoon race, dressing up, obstacle races as well as the tricky sack race and the skipping race to name a few. The event finished with the track race for the Year 1 & 2 children resulting in the children working together and showing great team spirit. For some of our younger children this was the very first sports day and they did remarkably well. What impressed me most was the perseverance of some of the children and sense of endeavour. It was lovely to stop and have a chat with the parents and hear your lovely comments. I would also like to say a big thank you to members of staff and volunteers who popped along to help the children and support the event.

## Important Dates

**13th July**  
FoR Summer Fair

**Monday 15th July (evening) & Tuesday 16th July (afternoon)**  
Year 6 Leavers Production (Year 6 families only)

**16th July**  
Transition Morning

**17th July**  
Parents Evening

**24th July**  
Year 6 Leavers Assembly & Party

## Achievements

Today proved to be an exciting day as we were made aware of the news that **Haripriya (Year 6)** scored in the top one per cent in both the Cattell III B and Culture Fair tests with 139, just three points less than the estimated IQs for **Stephen Hawking and Albert Einstein**. Only a handful of children under the age of 12 have received an invitation to join **Mensa's High IQ Society** in the UK and Ireland. We would like to congratulate **Haripriya** on this outstanding achievement.

## ATTENDANCE AWARD

Well done to 6AB with  
99.31%  
attendance for last week!
