

My Blue Challenge by Isabelle Prain-Wigan

Tennis Festival Year Two

On Tuesday 30th April, year 2 went to a tennis festival at Comberton School. IT WAS GREAT FUN! The students at Comberton School were very kind and taught us a lot about tennis. They taught us how to throw a ball and hit it back. They taught us how to hold a tennis racket and that we have to watch the ball carefully. We also played games. We played stuck in the mud, duck duck goose and traffic lights. Traffic lights was my favourite! My favourite bit out of traffic lights is when somebody says "speed bump!", and you lie on the ground and put your legs in the air, a bit like a beetle on its back, but not waving your arms about.

My Daddy normally in the Summer helps me to learn tennis and this year, after going to the Comberton tennis festival, I hope that I will learn even more and improve what I have learnt already. I have a swing ball set and I love playing with it. It is especially good fun when it goes round and round and round because you have to hit it back before it gets to the bottom. Playing swing ball is going to help me learn to play tennis too.

Thank you to Comberton School for a really fun day and helping me learn!
