

## End of Year 2018/2019

A little over four years ago we had a vision of what sport could be like at St John the Evangelist Primary School and set out on a journey to create a lasting legacy for sport.

We have been following the criteria of the School Games Mark and four years ago set ourselves the goal to become a Platinum Mark School in which we needed 4 consecutive years as a Gold Mark School.

I can happily say that after an incredible four years, we have achieved our fourth and final Gold Mark Award. Therefore, next year 2019/2020, will be our Platinum year. Another fantastic year of sport. Have a great Summer and see you in September.

## Intra

A fab year for intra competitions once again. We are looking forward to the whole school dance intra afternoon on the last week of term.

## U11 Cricket

Year 6 girls had a fab day in the sun playing Cricket in Charlbury. The A team came only 14 runs away from making the semi-finals. Overall 4<sup>th</sup> place and all the girls had a lovely day.

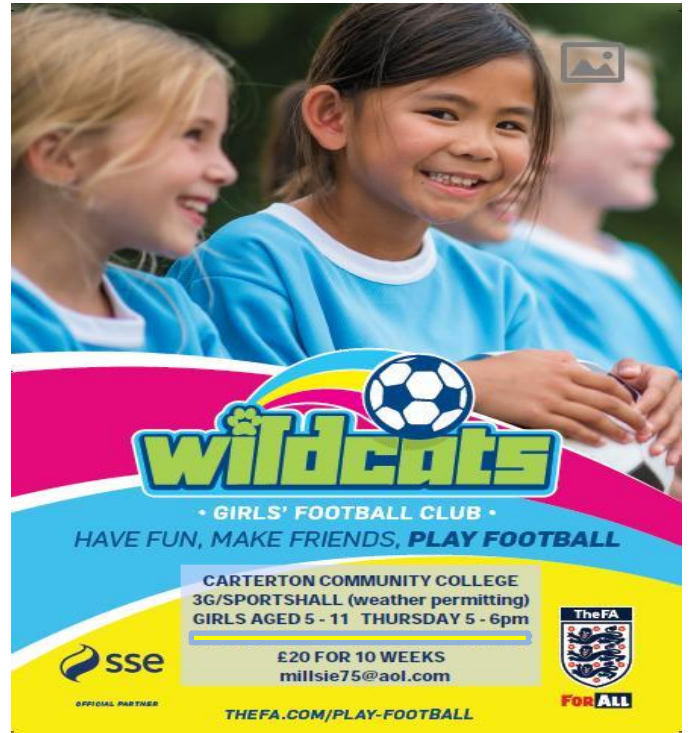

Year 6 boys will be taking part in there cricket even on the last week of school with St John's hosting the event. Good luck boys!

## PE Kit Reminder

In order to participate fully in PE lessons - a compulsory subject under the national curriculum, pupils should have their kits in school during the week. Please make sure children also have suitable footwear and for colder days tracksuit bottoms and tops are recommended.
