This Week at Clifford Bridge

" You're gonna be remembered for the things that you say and do..." I am still walking round singing the Buggy Malone songs as I write this newsletter. What a week! We have had the absolute pleasure of watching the Year 6 performances this week and they were utterly spectacular. What confidence! Congratulations to everyone involved, and a MASSIVE thank you to the staff. Mr Woods, Mr Seath, Mrs Limb and Mr Whale, you are simply amazing.

On the note of all-things-amazing, I would like to say a big thank you for the letters and emails that have been coming into school lately, particularly from those families who have children in year 6, thanking us and expressing your thoughts and feelings about our lovely school. I have been so touched to hear your views, and have taken huge pleasure in sharing all the letters and phone calls with my team. Mrs Docking has shed a few tears too, it is so lovely when you take the time to share the things that you notice and appreciate.

Next Thursday we will be saying good bye and thank you to Mrs Liz Foster, a fantastic supply teacher who has been teaching 1FS for several months this year during Mrs Farrington Smith's maternity leave. She has been a wonderful asset to the team and the children have thoroughly enjoyed having her. Thank you Mrs Foster!

As we approach our final week of term, I look forward to seeing many of you in school for Come & Share (I know that will have already taken place by the time you read this letter!) and at our Music Extravaganza on Monday evening.

Wishing you all a fabulous weekend,

Wishing you a lovely weekend,

Amy Husband

Early Years

Nursery

What a penultimate (and certainly busy) week we have had in Nursery. Our learning this week has been focused on the season of summer and our role-play ice-cream parlour was a huge hit. On Wednesday Mrs Dhillon spent the day in Nursery; she brought her paint and brushes. The children loved painting beautiful tulips and sunflowers. On Thursday Mr Wilson spent the day in Nursery; he brought his guitar, microphone and drum set! It was a musical day filled with many of the children's favourite tunes. A huge thank you to everyone who attended our Teddy Bears Picnic for Come and Share!

Reception

Reception have been making the most of this weather and have really enjoyed exploring the outdoors. They have continued their search for mini beasts and have been monitoring the growth of the fruit and vegetables in our school vegetable patch. As they have learnt so much about animals that live on land, they have been equally excited to learn about the creatures that live under the sea. We have had some fabulous creations of jellyfish! The children now know the names of various fish, how to recognise them from their colours and patterns and how important the sea is. We finished our week with a wonderful 'come and share' and would like to say a big thank you to the adults that attended. Have a lovely weekend everybody!

School Uniform

A reminder that we sell the Clifford Bridge Logo badges in school for a £1.00. CAN WE PLEASE REMIND YOU THAT ALL UNIFORM SHOULD BE NAMED.

Data Forms

Parent App

Thank you to those parents that have already signed up. Please make sure that when you log in for the first time you check your details and then press CONFIRM. You can only see and change your child's and your own information. If you still cannot log in or are having difficulties then please contact the office.

Also if you have not yet returned the Collection Forms that were sent out as paper copies. We urgently need these back for your children's new class teachers.

KS1

Year 1 & 2

Wow - Key Stage 1 really have got talent! We were blown away by the quality of the acts that auditioned for this year's Clifford Bridge's Got Talent. The acts included dancing, singing, magic, gymnastics, comedy, and even blindfolded drawing! We would like to congratulate all of the acts that auditioned as they were very well rehearsed and it was clear from their faces that they were really enjoying themselves!

KS2

Year 3 and 4

Year 3 have this week been planning a road trip to America and have been busy booking hotels, activities and eating with their 500 dollars.

Year 4 have been designing native American musical instruments this week. They have also had a busy come and share this morning

Year 5

Year 5 have been very busy bees yet again. For come and share the children have been working on a very creative, child-led project. They have designed a game to try and test the knowledge of themselves (and yourselves) on everything to do with wild waters! The children have shown great teamwork skills and imagination. Well done all! We hope you enjoyed playing them. We also had our auditions for Clifford's got talent and all participants were amazing. What a talented bunch!

Year 6

You give a little love and it all comes back to you, You know your gonna' be remembered for the things that you say and do!"

They will be remembered! What a show!

4 weeks to put together; 5 incredible performances; 100's of smiles; a few tears; and one outstanding year group!

Dinner Money

Can we remind all parents/carers that catering academy require all school meals to be paid for in advance of taking them. The best way to do this is on line via Sims Pay. If you require a code for logging in to this please speak to a member of the office staff. Meals are charged at £2.20 per day £11 per week. Please bear in mind that we have just a week left of this academic year, if you have children in year 6 please just add the correct amount to the end of term as credit balance cannot be carried over to new schools.

Reminder that children going from Year 2 to Year 3 will no longer be entitled to Universal Free Meals and all meals taken will have to be paid for. Please if you have not done so can you inform the office if you will be paying for school meals or bringing a packed lunch.
