

WITH GOD IN OUR HEARTS,  
WE LOVE AND LEARN

## St. Joseph's Newsletter

Issue 033 - 15 July 2019

What a fantastic year your children have had! They have worked so hard and achieved so much we are all extremely proud of them! Good luck to our year 6 leavers they are all ready for the challenges that lie ahead!

I would like to take this opportunity to thank all of the staff at St. Joseph's for their hard work and dedication, they really do love and care for your children. I wish Mr Cox safe travels as he sets off to Nepal on Friday to create an international link for our school and the children.

I would also like to thank you for your support. Working in partnership ensures we offer our children the best education possible.

Finally I wish you all an enjoyable summer holiday. We look forward to welcoming your children back in September!

### **Brereton Carnival**

A big thank you to everyone involved in this years Carnival for working so hard to make it such a fun day. The float was fantastic thanks to the PTFA and Mrs Waters and her artistic team. I would also like to thank all of the children on the float they looked great, the parents for their support and the teachers for their contribution. It was an excellent demonstration of the school community working together!

### **Aspirations Week**

During the week children had the opportunity to think about their future and what they would like to be. It was lovely to see such a wide range of careers on display when the children dressed up on Friday. I would like to thank all of the speakers that gave up their time to talk to our children. You are helping shape the lives of our children.

### **School lottery**

Congratulations to Kelly Burn on winning this weeks lottery. If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.
