How precious is Your loving devotion, O God, that the children of men take refuge in the shadow of Your wings.

Sports Premium report 2017/2018

What is the Sports Premium?

The Government is providing funding of £150 million per annum to provide new, substantial primary school 'sport funding'. This funding is being jointly provided by the departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools. The amount that Atherton St. George's will receive for 2017/18 is: £19,120

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE.
- New or additional Change4Life sport clubs.
- Paying for professional development opportunities in PE/sport.
- Providing cover to release primary teachers for professional development in PE/sport.
- Running sport competitions, or increasing participation in the school games.
- Buying quality assured professional development modules or materials for PE/sport.
- Providing places for pupils on after school sport clubs and holiday clubs.

How will we be spending the Sports funding and who will benefit?

The table below shows how we intend to spend the sports funding during 2017-2018:
