

# Year 4 Newsletter

Autumn

September 2019

**Please remember...**

\* To listen to your child read, sign and comment in the Reading Journal at least once a week, they will be collected in class on Tuesdays.

\* Please ensure that your child has the correct PE kit in school and has their name clearly labelled.

\* Help your child to practice their spellings every day—it really does help!

\* Help your child to learn their times-tables and related division facts. We are aiming for EVERY year 4 child to achieve their Gold badge by the end of the school year.

\* Thank you parents / carers for all your support last year and we hope this year will be even better!

## Maths

This half term we will be learning about comparing, ordering and rounding numbers. As well as this we will be multiplying and dividing numbers by one digit. Please practice times tables with your child every week.

## English

Our English focus will be to write detailed and interesting diary entries, including settings using a variety of stimuli.

## Topic

Our focus in Topic is to learn about our local village 'Saltaire'. This starts with a trip there to familiarise children with this beautiful place. We learn all about the history of how Saltaire was developed by Sir Titus Salt (a famous mill owner). We also research the issues and problems with being a mill worker in those times.

## Art

Our Art focus is all about Sir David Hockney, who is a famous artist that was born in Bradford. Some of his most famous landscapes can be viewed on the top floor of Salts Mill in Saltaire. Why not take a look.

**Here are some photos from last years trip to Saltaire.**
