

2nd July 2019

Dear Parents/Carers,

SCHOOL LUNCHES – SEPTEMBER 2019

I am pleased to attach our new school lunch menu for the Autumn term. This has been carefully put together to reflect ongoing feedback from parents, children and the kitchen team. I hope you'll agree that our school lunches offer excellent value for money.

As staffing, energy and other costs have increased, we want to ensure that funds which should be used for our children's learning, are not being used to subsidise lunches. Following some benchmarking with other schools in the area we have decided to make a small increase to the cost of lunches from £2.20 to £2.25 per meal, with effect from September.

School lunches will continue to be free for Key Stage 1 children.

Kind regards,

Principal
