End of the School Year

Dear Parents and Caregivers,

We have almost got to the end of school year and what a busy month this has been. The weather has been very hit and miss, but fortunately it hasn't stopped us being able to tick off our Sports days for EYFS, KS1 and all of the Nursery classes.

All class trips and class assemblies have now taken place and the Year 2 children are putting the finishing touches on their final RGI production.

Our school value for this month has been 'to be creative'. This value has fit in really well with our Art Week where all classes chose a poet, then based their art around the poetry.

A huge thank you to you all for your support throughout the school year. We hope you all have a relaxing and enjoyable Summer break and look forward to your return in September.

Please remember that the last day of the school year is Friday 19th July. All children must be at school or it will be deemed unauthorised.

Assemblies

Congratulations to Red Robins for such an informative class assembly based on 'being healthy'. They sang a wonderful and interesting array of songs and spoke with confidence and clarity, such a proud moment for the Red Robin staff.

A huge 'WELL DONE' to Blue Jays for their assembly based on 'Africa'. It was wonderful to see how comfortable the children were in speaking to a large audience.

Our final assembly for the school year was Yellow Canaries. Their assembly was based on 'The Environment'. The children learnt so much about the importance of looking after our environment and knowing ways of recycling things in and around their homes that could reduce and help our environment in the long term.

Sports Day

Nursery, EYFS and KS 1

We were very lucky to catch a sunny day for our EYFS/KS1 Sports Day. Each class chose a country that was playing in the Women's World Cup Football Competition and wore their country colours.

Thank you to all the parents and families that came down to watch. It was great to see such a big turn out and all children enjoyed taking part.

Full time and part-time Nursery classes have also had their Sports days. The lead up to the day wasn't great due to the weather, which made it very hard to practise, however they all took part and had a fantastic time running, jumping, and balancing bean bags in front of their families.

Year One

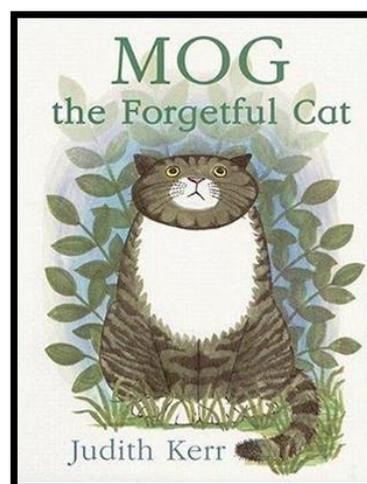

Class Trips

Year One had their class trips to Stratford where they visited a Story Discovery Centre that was based their book study – Judith Kerr stories.

The children enjoyed the coach trip where they were able to spot local and central landmarks.

At the Discovery Centre they got to build a class story, listen to a variety of stories read and presented in different ways, and they got to explore scene rooms that were based on the story 'Mog The Cat'.

Thank you very much to the parents that gave up their time to help out on each class trip. Your time and effort was very much appreciated.

Year Two Theatre Trip

Aladdin

Year 2 were very lucky to have gone on a trip to see the musical 'Aladdin' at the Prince Edward Theatre in London's West End.

For many of the children, this was their first time watching a professional theatre show. They were all thoroughly mesmerised by the acting, songs and stage sets. The children gasped in delight as Aladdin entered the glittering golden cave to retrieve the lamp and then gazed in awe at the magical spectacle of Aladdin and Princess Jasmine flying through the night stars on a flying carpet. The children were so entranced that when Aladdin and Jasmine started singing the song "A Whole New World" as they took their night-time carpet ride, many started to join in!

All classes behaved beautifully and this was actually commented on by a family who had also come to see the show and who were sitting in one of the rows behind the children. At the very end they said to Mr Miller how impressed they were with the children's attitude and behaviour and what wonderful ambassadors they were for the school.

All of the children truly enjoyed their theatre experience. What a wonderful way it was to mark the end of their time in Year 2 and at Roe Green Infant School.

Reminder

Please make sure that when you give your children grapes in their lunch box, they are cut length ways for safe eating.

It has been noticed that there have been a lot of unhealthy snacks in lunch boxes lately.

Make sure that you are giving your children well balanced and healthy options.

Please also make sure that your children do not play on or with any school equipment before or after school.

This is for health and safety reasons.

Thank you

Well done to the P.T.A group for raising £1260 this year. They finished off the term with a very successful Summer fair which was enjoyed by all that came. Thank you very much for your time and commitment that you have given, it is much appreciated.
