Winner of our vouchers

All replies to our school questionnaires have been put in a hat and two winners have been drawn, well done to Mrs Rankin and Miss Buckley, who have both won a voucher.

School Football Team – a note from Mr Hurst

Our School Team played in the WOW's under 11s cup final on Wednesday 10th July against Orrell St James and lost in such cruel circumstances 1-0. The game looked to be heading to extra time and Orrell scored the decisive goal with virtually the last kick of the game. From the restart the ball got played forward and within seconds the ref blew for full time. Over the 40mins Orrell had the better of the play, but the boys played with great effort and determination there were many great individual performances on the night, which built to a great team display. Jamie making some great saves and the post coming to our help in the last few minutes. Defenders and midfielders getting in great blocks, tackles and starting to play to get us going forward and Andrei working so hard upfront to chase things down and cause their defenders problems when we broke out from the back. The overall top performance came from Shay, who won the Man of the Match Award with his great defending and starting us playing from the back. The boys should be so proud of how far they have come this year from just kicking the ball away in September, to being organised and looking to pass out to play. Things look promising going forward especially as we had 4 Year 4s in the 9 man squad. Mr Hurst & Mrs Jones would like to thank Staff & Parents/Carers who gave up their time to support the team in the final as this helped the boys to a great performance.

Change to our Catering Providers

From September 2019, we will have new catering providers, called DOLCE.

Last week we sent the following home:

- ~ A letter from DOLCE
- ~ an information sheet for parents from DOLCE
- ~ a 'cashless' leaflet from DOLCE

If you already have a school grid (formerly known as Live Kitchen) account this will be migrated over.

If you have never had a school grid (formerly known as Live Kitchen) account, you will need to follow the guidelines to set up an account. The account will enable you to order your child's meal from home and will also enable you to pay for meals as the school will be going cashless from September 2019. From September 2019 you will no longer be able to pay with cash or cheque at the school office.

In the interim of change over, you may see both logos for Metrofresh, who are our current provider until 31st August 2019 and our new catering provider, DOLCE, from 1st September 2019. DOLCE will keep you updated on this by communicating directly with you through the school grid

Come along and start saving, just putting a small amount each week into a bank account will soon mount up to a good saving.

One of the most important things you can do is start a conversation with your child about money and the importance of savings. Let them know how to save up for things that they really want, in addition illustrate how much their money can grow over time if they save.

Let them bring in a little each week, for example 50p, and watch it grow!
