## Spending the Sports Grant Funding 2018-19

### How will we spend the Sports Funding and what impact will it have?

For the academic year September 2018 to July 2019 the school will receive £16,529 Sport Grant Funding. We also have £1,496 carried over from the previous year, and we have agreed to contribute £727 to the Sports Fund from the School Private Fund. We therefore have a total of £18,752 to spend.

We will use the money in our pursuit of excellence for all children, and every child will benefit from additional opportunities. Our most able children will be given further opportunities, which will enable them to benefit from specialist coaching so they can compete in advanced tournaments.

Improvements can be measured through:

- levels of pupil engagement in regular physical activity
- the raised profile of PE and sport across the school
- participation in competitive sports
- the breadth of experience of sports and activities offered through the fund

Action	Cost	Impact
Weekly dance class for all pupils- in addition to PE class teaching.	£8,372	All children benefit from the opportunity to learn dance, taught by a specialist teacher. Specialist teacher adds capacity and capability to the school staffing structure. Achievements in dance evident at performances, e.g. Arlington Arts ManMade and school summer production. Children grow in confidence as they develop choreography and movement.
Weekly Forest School for Robins class, fortnightly for Kingfishers and Red Kites		All children physically active and outdoors, whatever the weather. Children develop leadership and teamwork skills through physical activity and problem-solving.
Purchase of sports equipment, including vortex, rounders equipment and gym mats	£583	Increases the range of activities on offer and give children a broader experience. Increases pupil participation in a choice of activities.
Additional Swimming lessons for pupils in year 2, 3, 4, 5 and 6 each year.  Catch up swimming sessions for individual year 6 pupils who have not reached the required standard- summer term.	£628 contribution	Vulnerable pupils benefit from subsidised swimming, so all children reach the required skill level. Ensures children are confident with a life-saving skill. Ensures the children can successfully engage in local competitive swimming events.
Trophies, badges and awards for school sports day and other competitions	£75.91	Children feel motivated and encouraged by their participation in sport. Encourages an interest in competitive sport and physical activity. Individual achievement recognised and

		celebrated.
Sports affiliation to Team Kennet and Park House	£450	Gives entry to local competitive events, including cross country, netball tournaments and league, gym competition, athletics and rugby festival. Builds pupil participation in a range of competitive sports. Raises the profile of sport and PE within the school, and encourages children to be ambitious and aspirational.
Specialist sports coaching during weekly PE lessons	£8,625	Teachers benefit from observing quality coaching, building their knowledge and skill level and enjoyment. Pupils benefit from a wider range of sports, with different activities offered each term and extra-curricular activities including competitions.
Termly specialist sports after-school clubs		Children engage in regular physical activity. Develops expertise and skill in certain sports, and encourages participation in competitive events.
Total Spend	£18,733.91	Predicted Carry Forward £18.09

Improvements will be sustainable through:

- developing and growing a culture of participation in sport and outdoor activity within school, by celebrating achievement and effort and by offering a wide range of opportunities.
- building the school's range of quality resources relating to sport, ensuring future children benefit from the wide scope of activities on offer.
- developing skills and team-play experience within children, so they will increasingly participate in competitive or public events with confidence and expertise.
- creating a legacy of sporting achievement, as well as achievements in dance, which younger children and future year groups can aspire to and build upon.

In addition, our current Year 6 cohort have the following levels of swimming ability:

#### September 2018

- 89% (8/9) can swim competently, confidently and proficiently over a distance of at least 25 metres
- 89% (8/9) can use a range of strokes efficiently
- 78% (7/9) can perform safe self-rescue in different water-based situations

#### Updated July 2019

- 100 % can swim competently, confidently and proficiently over a distance of at least 25 metres
- 100% can use a range of strokes efficiently
- 89% (8/9) can perform safe self-rescue in different water-based situations
