The Hub School Annual Report

Dear Parent/Carer

Please find enclosed your daughter/son's Annual Hub School Summary Report for the 2018/2019 academic year.

The report includes a summary of progress both in subjects and to ECHP outcomes, individual achievements and a guide to the important next steps your daughter/son could take to support their future learning and success.

A copy of the individual attendance record is also included. The document covers the time from the start of this academic year to and including Friday 5th July 2019. Please check the attendance record carefully as you may be able to provide information about absences that may improve the final figure.

I would like to invite you to discuss the Annual Report with your daughter/son's tutor. At the foot of this letter is a reply slip for you to indicate your preference for discussion. Please return the reply slip or contact us as soon as possible.

Yours sincerely

P. Grimes
Headteacher
