**WELL DONE**

The last few weeks have been such a busy time in school. The pupils have thoroughly enjoyed end of term trips and there have been lots of fun things to enjoy and celebrate, including;

- Sports Day
- a visit from M&M theatre
- Dance from the Heart
- Achievement Awards

This year, we will be saying a fond farewell to six students who will leave our college provision to move on to other providers. We are incredibly proud of all that they have achieved over the years and we're certain that they will continue to flourish in the coming months and years.

It is also a time for some changes in our staffing and we would like to wish the following staff members every best wish as they move on.

- Barbara Ashworth (TA3) leaves The Coppice School to take up her retirement after 31 years of service. She has made a huge difference to many students over the years and will be sorely missed.
- Chelsea Shepherd (TA2b) is moving on to pursue a career in teaching. We are sure that she will make a great teacher!
- Abbie Corney (TA1) is leaving after successfully achieving a Level 3 qualification through apprenticeship. We wish her well.
- Julie Donnelly (office) is taking up retirement. Her dedication, hard work and cheery nature will be missed by all pupils, staff and friends of The Coppice.

The school will reopen on Wednesday 4th September 2019 and so we look forward to seeing you all then.
