## STAR OF THE WEEK

## School Dates

### Our Learning this week

We have had a fantastic final week as Chestnut Class! The children have published their final writing pieces which will be showcased as Borrowby Show if you would like to read them!

In Big Idea, we have learned about Seed Dispersal. The children designed and created their own seeds and included the appropriate features by using feathers, cotton bus and pipe cleaners.

I have absolutely loved teaching my little stars this year and we have made lots of memories together. I hope everyone has a lovely summer and a well deserved rest! See you all in September 😊

### Homework

- Please ensure children are reading daily. We read on a daily basis at school and this needs to be carried out at home too. When reading with your child, here are some useful comprehension questions to aid their understanding:

- You main homework this summer is to have the BEST time and have lots of fun!

### Reminders

- We have a school training day on Monday 2<sup>nd</sup> September so the children will return Tuesday 3<sup>rd</sup> September.
