Our Learning this week

What an amazing year we have had in Willow Class!

The children have come so far! It just seems like 5 minutes ago I was visiting them at nurseries and doing their home visits. How time flies! Now, they are so ready for the next challenge, they will all flourish in Year 1.

I am so lucky that I got to teach a class of such wonderful 4 and 5 year olds and work with such supportive families.

Have a brilliant summer, rest, go on adventures and laugh a lot. Oh, and don't forget to read! ;)

Lots of love Miss Padgett and Miss Almond xx

My Home Challenge:

Have the best summer! Read lots! 😊
