## Our Learning this week

On Thursday, the children were so excited when from the classroom they saw a little hedgehog scuttling across the field. For two weeks we have been attempting to attract them to our forest school area and with a bit of luck it has happened! The children had a wonderful day with 'Hodgeheg', making posters, writing stories and caring for him!

EVERY LITTLE ONE  
OF THEM!

## A final note...

Thank you so much for being such supportive and positive parents throughout the whole year. Your children have been an absolute pleasure to teach and I have loved every minute of it. I hope I have created many lasting memories for your children and a love for learning attitude. They have worked so hard and smiled along the way, which is very important! I wish you all the best of luck in the future.
