Issue 36— 19th July 2019

Dear Parents,

The year 6 children have had the most wonderful week away at their residential. I popped down to Portland on Wednesday night to have a catch up. They were absolutely buzzing with excitement, encouraged by bingo and karaoke, organised by Miss Morland. One of my highlights of the trip was to do a room inspection - the results were variable! Miss Morland and I would like to thank Mr Grayer, Mr Shutler, Mr Venditti and Mr Hildon for giving up their time so generously to help run the week. As always, without the support of parents we would not be able to run these events so thank you.

Whilst the Year 6s were out the Year 5s have been having a taste of being prefects - they very quickly organised a rota and have been 'policing' the corridor at KS2 with whiteboards in hand! They also had a great week learning how to ride their bicycles safely on the roads. The trainers commented about their exemplary behaviour.

Safeguarding our children is of the utmost importance to use all. It is timely that as we come to the beginning of the summer holidays that I remind you of unsupervised use of the internet. Please make sure that privacy settings are set to stop the use of websites such as YouTube and games like Fortnite. These types of websites allow access to material that is not suitable for primary aged children.

Have a wonderful weekend - we are expecting a hot week ahead so don't forget hats and sun cream.

**Caroline Whittaker**

**Head Teacher**
