

## Dear Parents and Carers,

Summer is up on us already, and as we come the end of another academic year, we would like to take this opportunity to let you know of some exciting things to look forward to that will start next September.

**Coming Soon**

### New menu for after October half term.

We have agreed a new menu to take effect after the October half term so children returning to school will have familiar dishes to enjoy whilst settling back into the school routine.

There are some exciting new dishes on your new menu so we will be giving the children tasters in September and October so they can try something different.

Don't forget to book your lunches for September.

Keep an eye out for some interesting theme days that will coming up in the next term as well.

**Theme Days**

### Have a Meal on Us –

Next year we will be inviting children who always bring a packed lunch to come and try our lunch instead, so they can see how delicious they are.

Look out for a letter coming home and return the slip to the office as soon as possible to secure a place.

### “Eat the Seasons” tasting tables.

#### EAT THE SEASONS?

We introduced the children to some lovely food ideas this year using seasonal fruits and vegetables. We will be holding more of these sessions in the new term, so look out for the recipe cards to try at home.

#### And Finally

We Hope you all have a wonderful summer break and look forward to welcoming you back in September. Please remember to order meals through parent pay before the cut off dates
