A Message from Mr Triggs, Headteacher.

During my last week as Headteacher, whilst the school has been buzzing with life and learning, I have taken a few moments to stop and look at all we have achieved over the last few years. There is so much for everyone to be proud of at St Louis School. I could write a long list but this would miss the point – it is all about the hard work, dedication and support of our governors, parents, children, Father Richard and all our staff. I have been privileged to be part of a community that wants the very best for the children in everything that they do. St Louis is a school that will always strive to learn and improve for the good of the children and we have many new and exciting projects ready for next year.

19th July 2019

I would like to say a huge thank you for all your good wishes and gifts as I come to the end of a wonderful 18 years as Headteacher here. I know that St Louis School will go from strength to strength in the coming years, nurturing and developing our children to be able to take their place in society with an outlook on life that is founded on the teachings of Jesus.

We celebrated our Leavers Mass yesterday. As we watched the Year 6 perform their Leavers Assembly afterwards I reflected on the talent evident in this lovely group of children. At this time of year is always tinged with some sadness as we prepare to say goodbye to them, most of them have been with us since Reception and it has been a joy to see them grow and develop into the delightful young people they are.

We wish them all the best and hope they will look back with fond memories of St Louis.

And finally, a very big thank you for the gifts which I received on Thursday from you all. First and foremost was the memories book from the children which I will treasure always and the second gift, a camera which I will love using.

The Red Hat of the Year Cup. Each year our Year 6 children take on the role of Red Hats – playing with the youngest of our children and

supporting them at playtimes, playing games and ensuring the youngsters have a good lunchtime. We award a cup for the Red Hat who has gone ‘above and beyond’ with the children. This year we are proud to announce that Henry has been awarded that accolade. Well done Henry!

URGENT MATTER - School Money Debts

PLEASE NOTE - All accounts for dinners and clubs need to be cleared as soon as possible. Could you please check your accounts – before Mrs Probert does!

The Singers Project, Frome. Last week the children in Year 5 and Year 6 learned about the history of Singers. This well known company created some of the most iconic statues and bronze artworks which can be found the world over - the statue of Eros in Piccadilly Square, Boadica outside Parliament as well as statues in Cardiff, Cape Town South Africa, Melbourne Australia to name a few. Here are two examples of works closer to home: the hands of Olivia and in Year 6 as the children learned the secrets of casting in bronze.

PSA News:

Summer Fair & BBQ: We hope everyone enjoyed the summer fair and BBQ in the sunshine last Friday. Thank you to everyone who came along and special thanks to everyone who gave up their time to help us raise a total of £1150 for the school.

AGM: Advance notice that we will be holding the PSA AGM in early October (date TBC at the beginning of term). We hope to be able to hold this immediately after school in the hall and teachers will be available to look after children while it is going on. We hope to see as many of you there as possible and will do our best to keep it brief! Please give some thought as to whether you would like to get involved with the PSA next year, the more volunteers we have the less work there is for everyone.
