SUMMER READING CHALLENGE

On Monday we had a visit from Daventry Library to talk to the children about taking part in the Summer Reading Challenge. Children can visit their local library or visit <https://summerreadingchallenge.org.uk/news/general/about-space-chase> to take part.

This is a fantastic way to make sure children keep up with regular reading over the summer break. The amount of reading a child does directly relates to growth in their vocabulary, their comprehension skills, their verbal fluency & their general knowledge. We would be extremely happy to see as many children as possible take part!
