

Evidencing the Impact of the Primary PE & Sport Premium 2018/2019

Holy Spirit Catholic Primary School Heckmondwike

Key Achievements	
<p>Every child that wishes to represent school in a wide range of sports gets the chance to do so.</p> <p>Tag Rugby – (Lunch Time Practices) Kirklees Finals took place at the end of July 2019.</p> <p>North Kirklees Tennis Competition We entered the Tennis Competition for the second successive year. This year it was amazing to see how much the children had improved as we have had many more tennis sessions during school and recently purchased some new equipment, which has seen children choosing to play Tennis at break times over Football which was great to see. Year 3 children played in a Year 4 Event due to year 4 being on a school trip. The children were superb and finished 3rd of 9 Schools. Year 5 managed to finish 1st of 10 schools and went on to the Regional Competition in which we finished a very creditable 5th Place. This was outstanding as none of the children that took part from our school had any previous Tennis experience.</p> <p>Kirklees Dodgeball Festival - We entered two teams as we had lots of children wishing to play. 2nd and 3rd.</p> <p>Football Matches – year 1/2, year 3/4, year 5/6. Home and Away Matches against, Westmoor, St Josephs, Windmill, Hightown, Highbank, Ravensthorpe, Littletown, St Patricks and Warwick Road. We have introduced “Friday Night Football” this has proven really popular and over half of the children in our school have represented school in Football Matches against other schools. We have had a number of children that this year have gone on to join local Football teams. We also hosted a Mini Gala at Holy Spirit for the first time and this proved to be a fantastic evening with other schools coming to take part in the Gala which was held on our school field.</p>	

Non-Competitive Football- After the success last year we again hosted a football competition for year 2/3 children for all of the children that have never played football before. 28 children took part and it was a really enjoyable event.

Girls only Football - we noticed this was something that girls weren't as involved in last year. We had girls from years 3, 4, 5 and 6 attending lunch time practices and then we entered the Kirklees Girls Football Competition and Finished 3rd. From this we have had a number of girls joining local football teams. The **Girls only Football Matches** has seen 23 different girls representing school in competitive matches.

Tri Golf (Lunch time practices)

For the FOURTH year in a row we have **WON** the **Kirklees Golf Competition** and then gone on to represent Kirklees in the **WEST YORKSHIRE SCHOOL GAMES FINALS** at Leeds Met Carnegie.

All children in school from Reception to year 6 have had the chance to try Tri Golf.

Yorkshire Champions Tri Golf

This was another Fantastic achievement and something the children really enjoyed. We won the competition against 14 other school winners from Calderdale, Kirklees, Bradford, Wakefield and Leeds. So we are now the Yorkshire Champions for the last four years.

Year 3/4 Cricket Team (Lunch Time Practices)

2nd place in the Dewsbury And Batley Schools Cricket Competition. Narrowly losing out in the final by just 4 runs.

Year 5/6 Cricket Team (Lunch Time Practices)

This year we had only 1 boy in school that played cricket outside of school. The boys that took part played superbly after a few practice sessions at school. They managed to win 4 matches and lose only 1 game throughout the competition. Finishing in **2nd** place.

Sportshall Athletics Team – 2nd in the SJF Partnership competition. (Lots of lunch time practices) **Movement Group** - A group of children who have been identified as either reluctant participants in PE lessons or children that may benefit from smaller groups or one to one sessions. Children really enjoy this and are always excited to learn new things.

THIS YEAR OUT OF THE 13 CHILDREN THAT ATTEND MOVEMENT GROUP 7 HAVE REPRESENTED SCHOOL IN A SPORTING EVENT.

After School Training Clubs

Regular after school training sessions for Football , Cricket, Athletics, Tri Golf and Tennis.

CROSS - COUNTRY

2 Children qualified for the West Yorkshire Finals and came very close to qualifying for the National Finals. The Qualifiers all had 4 weeks specialist running coaching at Spenborough Athletics Track. (finishing 58th of 162 and 72nd of 158)

Huddersfield Town Premier League Primary Stars Competition

We entered 3 football teams into this competition which was the most teams entered by any school in Kirklees. We took 2 boys teams and a girls team who played superbly on the day. One of the Boys teams just lost out on Golden Goal to the eventual winners. The other boys team finished a fantastic 4th and the Girls Finished in 3rd. This was a fantastic experience for the 25 children that took part.

Archery

We have introduced Archery to school and this is something that the children really enjoyed.

We now run an after school Archery Club and this is always very popular.

Children in KS2 get the chance to try Archery during a PE lesson.

PE

School PE taught by a Sports Coach who works closely with staff to enable better quality PE Lessons. He can offer a wider range of sports and activities than most other schools.

Young Leader Training

For ten year 5/6 pupils who were keen to become Young Sports Leaders in our school. They then teach our younger children and lead sports based activities during break and lunch times.

We have increased participation in competitive sport as we have more children representing sports teams now than we ever have had in school.

Swimming & Water Safety		
Meeting national curriculum requirements for swimming and water safety		Please complete all
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.		100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?		75%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?		40%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?		NO
