1st July 2019

Dear Parents and carers,

Visit to the National Space Centre

We would like to take Year 5 children to The National Space Centre in Leicester for a very exciting experience to launch our Stargazers topic. The visit will take place on **Friday 6th September 2019**. The coach will leave school at **8.15am prompt** so we need the children to arrive at school for **8am** in order to leave on time. We aim to be back at school for **5.45pm** depending on the traffic. Please visit our School Twitter (@CopleyJunior) for a live update from the day and updates on the expected arrival time back at school. If you do not follow our Twitter, you are still able to access it as above to read the messages.

We need to ask for a voluntary contribution of **£19.00** to cover the cost of the coach, insurance, entrance to the Space Centre and to the Galaxy and Solar System planetarium show. Should we not receive enough contributions to cover the costs of the visit, it may have to be cancelled. Payment and permission for the visit should be made on ParentPay by **Monday 2nd September**.

Children are required to wear their school uniform for the visit and need to bring a packed lunch (no glass bottles or any foods containing nuts please). We will not have time to visit the shop so no pocket money is required.

During the day, the children will visit all areas of the Space Centre and will also take part in the Galaxy and Solar System Planetarium show.

Once again, thank you for your continued support.

Best wishes,

Miss Blades-Baker and Miss Wright.
Year 5 Class teachers
