

Hateley Heath Sport Premium Report

Resource/Area	Cost	Why?
Relax Kids Course completed by staff member.	£1200	In order to target and address lower achieving children in Physical Education, a staff member at Hateley Heath Primary has completed the Relax Kids Course. Children across the school have targeted physical and relaxing sessions on a weekly basis to increase their confidence and raise attainment during their physical education lessons as well as during the whole school day.
Hire of current LSPs as outdoor learning and physical education practitioners.	2 staff members x 3 focused physical activity sessions every afternoon.	Children across the school have targeted physical and relaxing sessions on a weekly basis to increase their confidence and raise attainment during their physical education lessons as well as during the whole school day.
Hire of experienced multi-sports staff member as dinner time staff.	5 hours a week 12pm-1pm	Due to high demand, an experienced basketball lead staff member who carries out after school clubs is now also a lunch time supervisor. During lunch times this LSP carries out a variety of
Sports Equipment	£397.00	Sports equipment including rackets, bats and balls were purchased to increase physical activity during break and lunch times and to increase the amount of

		opportunities children have to take part in sports activities which require resources.
Equipment and Sports Environment Inspection	£180 £90	Inspections carried out in both indoor and outdoor environments to ensure environments are safe for use during physical education lessons, break times and lunch times.
Supply Cover	£300	Supply cover was used in order to allow the PE co-ordinator to attend Fit for Sport training sessions and Sports Premium Conference.
Extra-Curricular Clubs	NA	A variety of sports clubs including Basketball, Team Games, Street Dancing and Dance take place at Hateley Heath Primary to promote physical activity within and outside of school time.
